

Bagua Pendant

Octagonal Pendant

Metal Frame Stem Suspension

Elements Panels

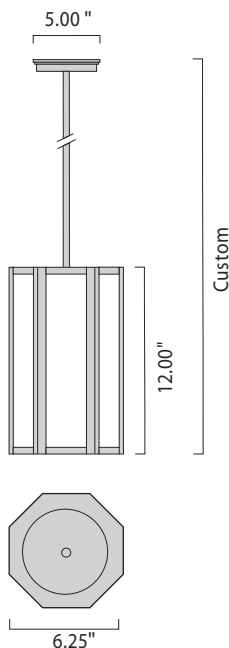

The ELEMENTS BAGUA pendant is a suspended luminaire with an eight-sided metal frame available five different finishes including Anitque Brass, Brushed Nickel, Polished Nickel, Polished Brass, and Satin Brass.

The Elements Bagua Pendant is part of Feng Shui Lighting's Elements System and features eight acrylic lens diffuser panels with a special decorative color pattern. The decorative panels represent one of the five elements.

The pendant features 8 diffuser panels. Each "Element" category offers six distinct colors and patterns, allowing for 30 unique decorative choices.

The Bagua pendant is offered as a Compact Fluorescent fixture with a GX24q-3 lamp holder for a 26W or 32W lamp. The compact fluorescent option includes an integral ballast.

Three suspension types are offered: stem, white cord or black cord.
