

Bagua Pendant
Octagonal Pendant
Metal Frame Stem Suspension
Equations Textured Glass Panels

The Equations BAGUA pendant is a suspended luminaire with an eight-sided metal frame available five different finishes including Anitque Brass, Brushed Nickel, Polished Nickel, Polished Brass, and Satin Brass.

The Equations Surface Sconce features 6 standard textured glass diffuser panel options. Equations Textured Glass fixtures include a Milk White Acrylic panel to stack in back of the decorative glass to diffuse the light source.

The Equations BAGUA pendant is offered as a Compact Fluorescent fixture with a GX24q-3 lamp holder for a 26W or 32W lamp. The compact fluoresent option includes an integral ballast.

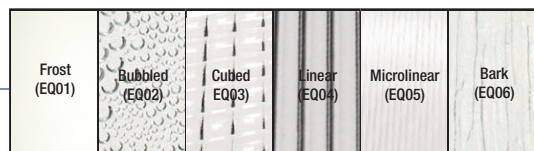

Three suspension types are offered: stem, white cord or black cord.

EQBP-EQ02-BN-TU12-IN

LED Light Source Available.
 Consult Factory for Details.
