

Bagua Pendant

Octagonal Pendant

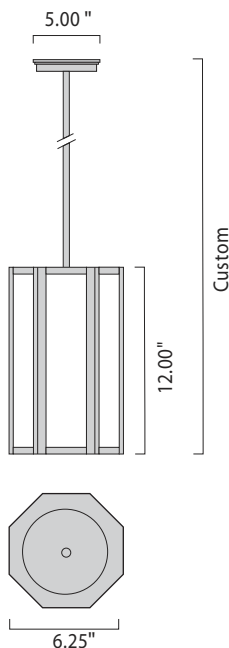

Metal Frame Stem Suspension Elements Panels

The Ice Bagua pendant is a suspended luminaire with an eight-sided metal frame available five different finishes including Anitque Brass, Brushed Nickel, Polished Nickel, Polished Brass, and Satin Brass.

Ice Bagua is part of Feng Shui Lighting's Ice System and features eight Dupont™ Corian® diffusers in 5 different color options, each with color throughout the entire panel reminiscent of a frozen block of color.

The Ice Bagua pendant is offered as a Compact Fluorescent fixture with a GX24q-3 lamp holder for a 26W or 32W lamp. The compact fluorescent option includes an integral ballast.

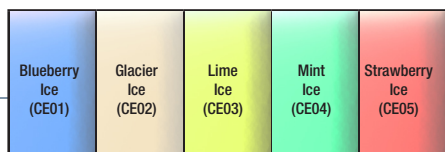

Three suspension types are offered: stem, white cord or black cord.

Fixture Shown: **CEBP-CE04-BN-TU12-IN**

LED Light Source Available.
Consult Factory for Details.
