

Bagua Pendant

Octagonal Pendant

Metal Frame Stem Suspension

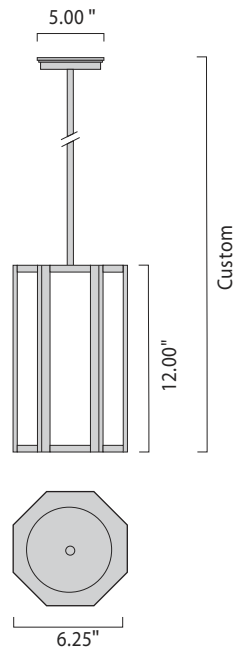

Rain Panels

The Rain Bagua pendant is a suspended luminaire with an eight-sided metal frame available five different finishes including Anitque Brass, Brushed Nickel, Polished Nickel, Polished Brass, and Satin Brass.

Rain Bagua is part of Feng Shui Lighting's Rain System and features eight resin lens diffuser panels with texture reminiscent of rain on a window pane. The panels are available 9 different color options.

The Rain Bagua pendant is offered as a Compact Fluorescent fixture with a GX24q-3 lamp holder for a 26W or 32W lamp. The compact fluoescnet option includes an integral ballast.

Three suspension types are offered: stem, white cord or black cord.

Fixture Shown: **RNBP-RN02-BN-TU12-IN**

LED Light Source Available.
Consult Factory for Details.
