

# Recessed Sconce

## Square and Rectangular Wall Luminaires

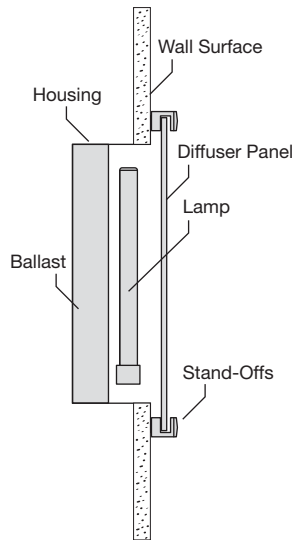

### Metal Frame and Stand-Offs

### Rain Panel

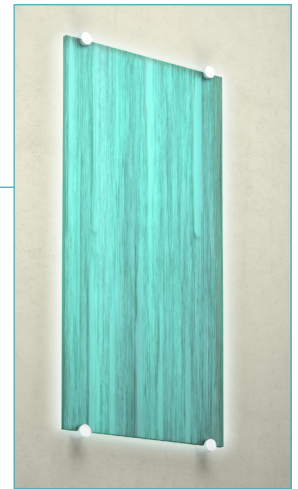

The Rain Recessed Sconce Sconce series is a wall luminaire with a resin diffuser that features a texture that is reminiscent of rain on a window pane. The fixture uses machined aluminium standoffs to anchor the diffuser to the fixture. The sconces are available natural aluminum or powder coated hardware finishes. Fixtures are available to hold the decorative diffuser panel in three different sizes. Various compact fluorescent lighting options are available. Consult factory for custom options.

Rain Recessed Sconce is part of Feng Shui Lighting's Rain System and features "rain" textured diffuser panels in 9 color options.

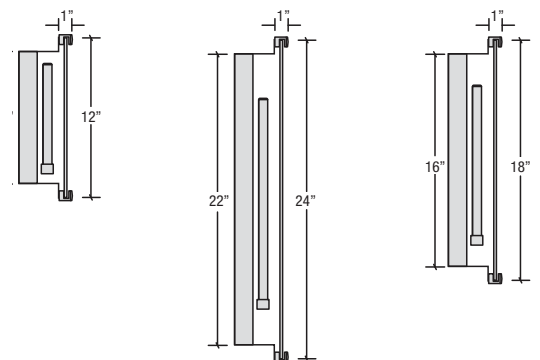

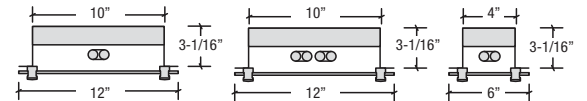

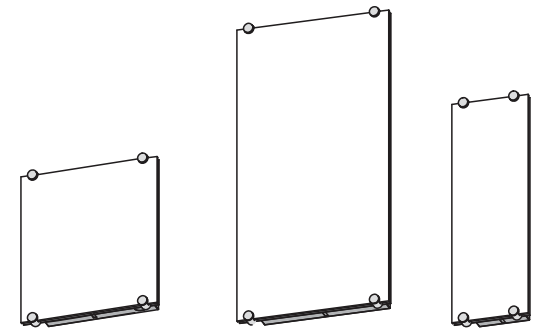

The Rain Recessed Sconce is offered as an 18W, 24W, or 36W BIAX Compact Fluorescent fixture. The compact fluorescent option includes an integral ballast. Emergency ballast (EM) option available upon request.
