

FENG SHUI LIGHTING

Surface Sconce

Square and Rectangular Wall Luminaires

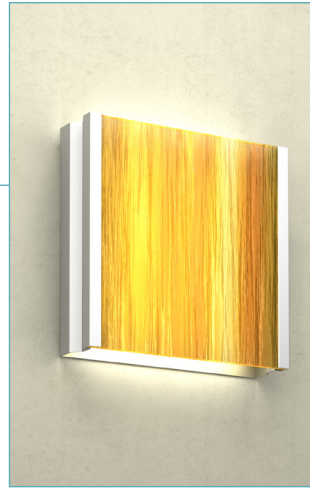

Metal Frame

Rain Panel

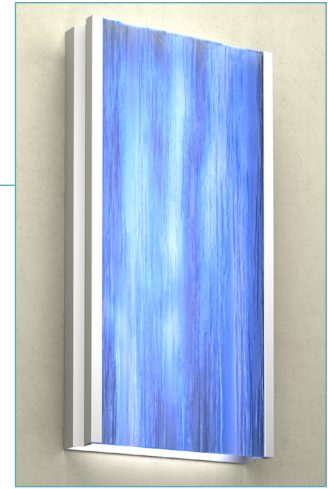

The Rain Surface Sconce series is a wall luminaire with a resin diffuser that features a texture that is reminiscent of rain on a window pane. Available in three sizes with a flat or curved shape. The sconces are available in natural aluminum or powder coated hardware finishes. Various compact fluorescent lighting options are available. Consult factory for custom options.

Rain Surface Sconce is part of Feng Shui Lighting's Rain System and features "rain" textured diffuser panels in 9 color options.

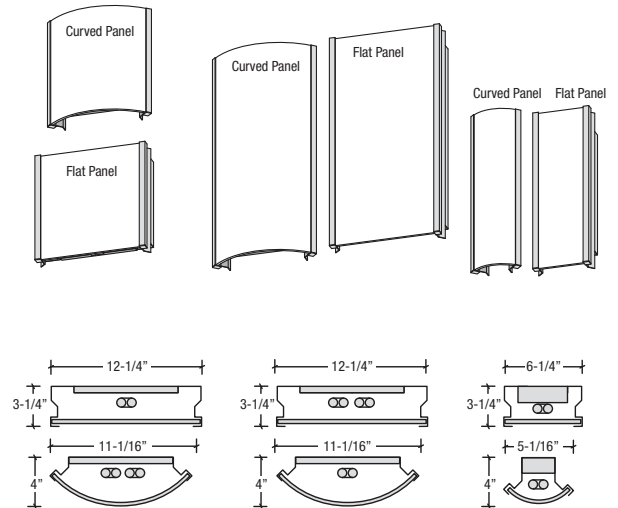

The Rain Recessed Sconce is offered as an 18W, 24W, or 36W BIAx Compact Fluorescent fixture. The compact fluorescent option includes an integral ballast. Emergency ballast (EM) option available upon request.

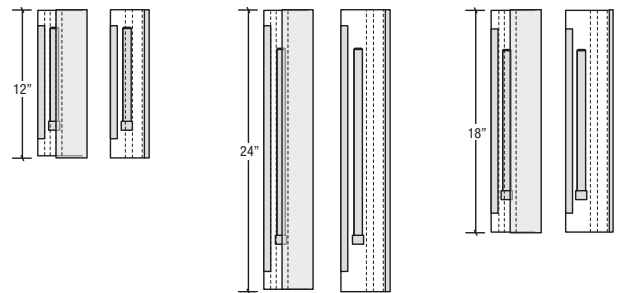

RNSF-RN05-12X12-1-STD-120-AL
